

WHAT IS A SHOW OR SEASON SPONSOR?

They are an adventurous person or business that champions bringing creative and alluring plays to the Seattle community by a rough and tumble group of artist administrators who have been producing compelling work for 18 years!

WHY SPONSOR?

WET has long been known for creating groundbreaking, fearless art, and now you can be part of the creative process. Sponsoring is a way to directly support a specific production, program, or the entire season, and ensures that we have the resources to continue putting work of the highest quality on stage. As a thank you, you'll receive special benefits, which allow you to witness first-hand the incredible impact that your investment has made!

WHERE DOES THE MONEY GO?

All donation sponsorships directly support the programs and productions of Washington Ensemble Theatre. Your gift makes our award winning and striking designs come to life and allows us to work with the most cutting edge artists in Seattle.
