

IN-KIND SPONSOR PROPOSAL

THE ARCANA GALA

Celebraing Our 21st Anniversary Season

WHY WORK WITH US

Because frankly, nobody is making art like we are. As a small-but-mighty arts organization, innovation, craftsmanship, and local talent are the foundation of what we do. We're looking to partner with businesses that share our passion for craft, and our value that bigger does not equal better. We aim to serve up cutting-edge art and community events - why wouldn't we want to uplift businesses that share our vibe?

FOOD SPONSORS

Help us feed our 200 guests, and we'll put your logo on all digital & print materials, a special shoutout in our media and on stage, and signage throughout the space about your contribution. Enjoy the event with 4 tickets for you and your guests!

BEVERAGE SPONSORS

Be our exclusive beer or wine provider, or have your product be the base of a custom cocktail that will be the specialty for the night! Enjoy the event with 4 tickets for you and your guests.
